

PARENTS ROLE IN THEIR CHILD'S EDUCATION

Dear Parents

25.05.2019

- Always praise your child's hard work and efforts.
- Don't hesitate to reward them for results.
- Teach them to maintain good peer and teacher relationship.
- Teach your child to be respectful and not to undermine teachers.
- Monitor their learning and give friendly advices.
- Don't confined them inside the rooms, devise fun ways to learn.
- Encourage your child to complete his work in stipulated time.
- Spend enough time to talk to your kid even if you have tight schedules.
- Ask the children to accept their mistakes and rectify the same in positive way.
