D.A.V PUBLIC SCHOOL, R.K PURAM SEC – IX

Dear Parent

There is a growing concern about the heavy school bags of the students . In the best interest of the students, previously too, we have endeavoured to highlight the issue and have sensitized you regarding the same. We once again request you to help us regulate and reduce the burden of bags off the students' shoulders by considering the following noteworthy suggestions:-

- Opt for light weight bags with broad belts for your ward.
- Send bag according to the time table.
- Your ward should not carry unnecessary materials to school (old newspapers, files extra set of colours).
- Do not send heavy lunch box and water bottle.
- Replace the big and heavy pencil box with light weight pencil box .

Your kind co- operation is solicited

Headmistress
