

**.....32 Years of Nurturing  
P R O S P E C T U S**

**Principal's Message**

**We are delighted to introduce the DAV Public School, R.K. Puram to you. The DAV School is a progressive child centered, co-educational private school committed to providing quality and holistic education for all the students. The school which was founded in 1982, has quickly established a reputation for its academic excellence and caring environment. At DAV Public School, R. K. Puram the learning process is both thought provoking and enjoyable. Our students are encouraged to develop sound ethical values. Kindness, respect and politeness are instilled within a safe and nurturing environment. Our aim is to develop students who are aware, socially responsible and creative with good self-management and interactive skills.**

**Chairman's Message**

**DAV has been making a significant contribution to the society through spreading value-based education keeping the ancient Vedic heritage in mind. In fact, it is the only organization which has set high standards in education while maintaining a balance between Vedic wisdom and modernity. Madam Chopra receiving the award from honorable chairman DAVCMC Shri Poonam Suri for her meritorious service in the field of education.**

**Early childhood care**

**DAV Nursery & Day care centre provides a vibrant, creative & multi-dimensional learning environment in which the child freely enquires, explores & engages with learning. Our young learners in the age group of two and three years are provided with a safe and nurturing**

**environment in our nursery and DAV day care centre at Sec-6, R.K. Puram. All children are gifted but some open their packages earlier than others. We realize this and provide learning experiences that will maximize the child's learning abilities in the formative years.**

**The syllabus & curriculum has been planned by keeping the needs of children in mind.**

**All learning is activity and project based & every child learns with hands on experience of doing. Picnics and educational trip are organized regularly to help children explore and experience. The teachers are experienced, caring and give individual attention to each child. The school has a serene and clean environment. The support staff is reliable, courteous, clean & well trained to assist the teachers, Safety and security of all children in the school is ensured. R.O. installed water cooler help us to provide clean drinking water. Wash rooms are neat & clean.**

### **Pre School / Pre Primary:**

**The class teacher provides a challenging academic programme that includes languages, mathematics, environmental studies with project work. Children are encouraged to explore the environment around them & enrich their knowledge through projects. Activities are designed to develop their fine motor skills and encourage sensorial development.**

### **Junior Years**

**Class I to V: Children move on to this level which builds on awareness and spirit of exploration. Emphasis is placed on acquiring sound language skills, clarity of mathematical concepts, the discovery & understanding of scientific principles.**

## **After class V**

**After passing out from class V, our students have the privilege to join either Suraj Bhan DAV Public School at Vasant Vihar or DAV Public School at Vasant Kunj. Organization of the school: Class sizes are limited to 30-35 students with two or three sections each class. The school is divided into 5 houses. Each child is allotted a house on joining the school. Inter house competitions are conducted on a regular basis. These activities form an important part of the school calendar.**

## **Day Care Facility**

**We provide Day care facility at our Sec.-6, R.K. Puram School for students of all classes in the age group of 2yrs to 12 yrs till 6pm in the evening. It is the closest thing to home that you can imagine. A home away from home. In today's world of working parents, there is always a growing need for a safe place for children to spend after school hours. Our day care facility has home like ambience, staff to handle the children with tenderness & care. It is different from other day care centers as we do not bundle the children in one room. Our staff helps the children in completing their home work and we also have structured activities. In case of emergency, medical assistance is given immediately.**

## **The curriculum**

**The school offers a broad and balanced curriculum which is designed to match the educational needs of children within the requirement of the C.B.S.E examination. Our objective is to equip the students with knowledge, skills and values which will help them to grow into confident & young adults, who are socially aware of their**

**responsibilities. A carefully planned academic syllabus ensures that the child enjoys the years spent in learning and acquires a sound understanding of concepts in mathematics, science, computer languages, and social studies, personal, social and physical education. The syllabus is enriched by teacher designed worksheets and interesting projects. Emphasis is laid on 'learning by doing', problem solving and through application of knowledge.**

### **Home work:**

**Homework is considered to be an integral part of the learning process encouraging independent study. Home work is planned for each subject meticulously. The time varies from 20-40 minutes for a child to devote to his/her home work. To increase the involvement of the parents in the curriculum of their children and to introduce latest technologies into educational system for the welfare of the children the school introduced "Snap homework Mobile Application". This smartphone application enables the teachers to share home work, activities, classwork and worksheets with the parents.**

### **Evaluation System**

**Our evaluation system is continuous and comprehensive as per DAVCMC and CBSE guidelines. We have checklist of parameters called milestone of assessments for different areas to evaluate a child. The potentials & abilities of individual child is considered when a child is evaluated. Total progress of a child is taken into account to help parents understand their child's growth. There is systematic recording of performance/behavior of a child in each subject/area. The checklist have a set of learning milestones for each of child's development i.e. languages & physical cognitive, creative & expressive art. At the end of each term a cumulative card that showcases the consolidated data**

collected from regular observations is prepared and shared with parents.

### **Co curricular activities**

Academics and co-curricular activities go hand in hand. The various activities include Dance, Theatre, Photography, Robotics, Art, Clay Modelling, Judo, Taekwondo, personal grooming, table Tennis, Maths Club, Skating, Chess, Writing skills, Computer Skills, Aerobics, Meditation & Yoga are practiced as a routine.

### **Breakfast Time**

Breakfast is the most important meal of the day. Children do not eat breakfast for several reasons, which makes them feel lethargic and dull in the morning. A good breakfast enhances attention span, concentration and alertness. Children who eat breakfast are more cheerful and healthy. Breakfast provides children with necessary energy to kick start the day. Keeping this in mind we have included breakfast time in the school schedule. Children are advised to bring nutritious meal consisting of solid whole some food like daliya, poha, upma or sprouts along with fruit juice or lassi. Flavoured milk is being provided by the school during breakfast at reasonable cost. The teachers have observed that after the food intake, children are more active and responsive in the class.

### **Vitamin D Activities**

It is a well known fact that vitamin D is a very important component of nutrition pyramid. Vitamin D helps our body to absorb calcium. They work together to help maintain healthy teeth and bones. It also helps our muscles; nerves and immune system to work properly.

**It has been noticed that number of adults as well as children are deficient in Vitamin D. In order to avoid this for our future generation, we have initiated the vitamin D activity in our school. We conduct this activity daily after the assembly and do different activities. Children come out in the open and enjoy for 10-15 minutes in the Sun.**

### **Inter School Opportunities**

**We at DAV Public School are driven to enable each student to realize his/her potential to the fullest & achieve their dream. Thus, we encourage & motivate students to participate in inter school competitions.**

### **School and Parents**

**Parent teacher meetings are held regularly to understand every individual's learning capabilities and also their social, intellectual and emotional development. Parents are invited to watch their children perform during special assemblies, celebrations and functions, projects displays. There is a regular communication through monthly newsletter, detailed circulars and children's diaries. We hold a Parent Orientation at the start of every academic year.**

### **Discipline**

**The DAV R.K. Puram prides itself on good working atmosphere created by a well disciplined environment. We intend to focus on positive rather than on negative behavior. We endeavor to instill a sense of self discipline in the children. However, we do enforce appropriate disciplinary measures when necessary.**

## **Transport**

**The school has hired a fleet of buses to ensure safe travel to school. The following points are kept in mind during transit.**

- **The buses are kept in good condition.**
- **Provision of First Aid Box.**
- **Each bus has helper and plies under the supervision of a teacher who takes daily attendance.**

## **Facilities**

**The classrooms are spacious and well equipped. The school is resourced with well maintained facilities. These include:**

- **Art and craft room**
- **Activity room**
- **Table tennis room**
- **Computer room**
- **Music and dance rooms**
- **Library**
- **Staff room & Medical room.**

## **Technology in Classroom**

**Our computer lab is equipped with internet enabled computers and every child has hands on experience with computers in their practical classes.**

**We have installed interactive Smart Boards in classrooms with centralized content. It provides excellent audio visual teaching resources such as animation clips, videos & pictures. It makes both**

**learning & teaching enjoyable & memorable experience for students as well as teachers.**

**We have a public address system that is put to good use to share information during assembly and at other important times.**

### **Library**

**School has a well equipped library where reference books, encyclopedia, story books, magazines, newspapers are available for the use of students.**

### **Havan**

**Once in a week children perform Havan with their teachers with the chanting of shlokas.**

### **Fire fighting**

**For the general security and safety of the life and property fire-fighting equipment has been installed in the school**

### **Health care**

**School takes care of regular health checkup of the students. A qualified doctor and his team visit every week. Apart from routine checkup, students are also advised about nutrition, personal hygiene and preventive measures against common diseases and ailments. In case of any abnormal findings parents are communicated for interaction with the doctor**

## **Special Children**

**We have a special place in our hearts for children who are special in the true sense & who need our help. Our school has dedicated staff to deal with children who have intellectual, emotional or physical disability. The curriculum and syllabus is modified to meet the needs of these children. Special instructor meets the parents of such children at regular intervals to discuss the progress.**
